

Module 02: Should Women Vote? The Politics of Suffrage

Evidence 7: "Suffrage Universel: Guerre, Paix" From *La Citoyenne*, July 2 - August 6, 1882

Introduction

The cartoon below was produced for the women's suffrage movement in France.

Questions to Consider

- Is the cartoon an argument for women's equal rights as citizens, for women's different contributions to the political system, or a combination of both perspectives?

Document

Translation:

"BALLOT BOX: World Peace, Social Harmony. The well-being of humanity will be achieved only when women's suffrage includes helping men make the laws."
