

Module 04: The End of Optimism? The Great Depression in Europe

Evidence 1: "The Rise of the Dollar-Sun" From *Die Rote Fahne*, February 24, 1932

Introduction

The cartoon below refers to European dependence on the United States for loans and investment during the 1920s.

Questions to Consider

- What attitude is suggested by the people?
- What does the cartoon indicate about the spread of the Depression to Europe?
